

March 21, 1924.

My dear Mr. Wyer:-

Songs sent and invoices made out as directed.

I am glad that my name stands well with your library -- and doubly so when in the good company of Arthur Farwell. You are lucky to have him for a cousin, as I to have him for a friend.

I remember your purchase of the John Burroughs "Miracle Picture," and am glad it is still causing pleasure.

Sincerely yours,

M. G. Wyer, Librarian,
